Dear Carol,

You indicated that Clallam County, Washington is working towards the completion of a Hazard Mitigation Grant Program application and information is needed regarding the standing of the County in the National Flood Insurance Program (NFIP).

This is to certify that Clallam County (Community Identification Number 530021) participates in the NFIP and is a member in good standing in that program. Clallam County established eligibility in the Regular Phase of the NFIP on November 5, 1980. A Community Assistance Visit (CAV) was conducted by FEMA on July 30, 2012 and that CAV was closed on July 22, 2021.

If you have any questions, please feel free to contact me at (360)-584-2804 or matt.gerlach@ecy.wa.gov.

Sincerely,

Matt Gerlach
